Conditions of Carriage for Passengers and Baggage

Preamble

These Conditions of Carriage govern the relationship between you as a Passenger and us as the Carrier regarding your Carriage on an aircraft operated by us or pursuant to a Ticket on which our Airline Designator Code appears for that flight or flight segment. Your rights and duties towards us and vice versa in this matter are outlined in the Conditions of Carriage. We advise you to read the Conditions of Carriage carefully as, among other things, they set out various limitations that affect you, for instance concerning our limits of liability towards you in case of Damage and delay affecting you and/or your Baggage. If our limits of liability are not satisfactory in relation to your needs, we advise you to obtain personal travel insurance.

These Conditions of Carriage may be amended without prior notice. The version in effect at any given time is the one most recently published, and this can be downloaded from our web site www.flysas.com at any time

Article 2: Applicability

2.1 General

Except as provided in Articles 2.2, 2.4, 2.5 and 3.1.2, our Conditions of Carriage apply only on flights, or flight segments operated by us and/or, where our name or Airline Designator Code is indicated in the carrier box of the Ticket for that flight or flight segment.

Outside Europe Regulation (EC) 261/2004 might not apply. If you are traveling outside Europe on flights not operated by us be aware that you might not be entitled to assistance from us, or the operating airline in situations where your flight is cancelled, delayed, you are denied boarding or downgraded. In these situations your rights will be governed by the local legislation applicable to the flight in question.

2.2 Charter Operations

If Carriage is performed pursuant to a charter agreement, these Conditions of Carriage apply only to the extent they are incorporated by reference or otherwise in the charter agreement or the Ticket.

2.3 Code Shares

On some services we have arrangements with other Carriers known as “Code Shares”. This means that even if you have a reservation with us and hold a Ticket where our name or Airline Designator Code (SK) is indicated as the Carrier, another Carrier may operate the aircraft. If such arrangements apply we or our Authorized Agents will advise you of the Carrier operating the aircraft at the time you make a reservation. Your contract party is the marketing Carrier, i.e. the Carrier who’s Airline Designator Code appears on the Flight Coupon or routing slip next to the flight number. Notwithstanding the above, in the event of code share all claims related to compensation and assistance in the event of denied boarding, cancellation, long delays or downgrading based on Regulation (EC) 261/2004 shall be submitted to the operating carrier. Other claims regarding Damages for proven losses and costs may be submitted to either the operating or the marketing Carrier.

Furthermore with respect to code share flights operated by another Carrier that depart from or arrive at a U.S. airport, the tarmac delay contingency plan of the operating Carrier governs. Detailed information regarding these contingency plans may be obtained from the operating Carriers website.

2.4 Overriding law

These Conditions of Carriage are applicable unless they are inconsistent with applicable law that cannot be waived by agreement of the parties in which event such laws shall prevail.

If any provision of these Conditions of Carriage is invalid under any applicable law, the other provisions shall nevertheless remain valid.

2.5 Conditions prevail over regulations

Except as provided in these Conditions of Carriage, in the event of inconsistency between these Conditions of Carriage and any other regulations we may have dealing with particular subjects, these Conditions of Carriage shall prevail.

Article 3: Tickets

3.1 General provisions

3.1.1 The Ticket constitutes conclusive evidence of the contract of Carriage between us, and the Passenger named in the Ticket. We will provide Carriage only to the Passenger named in the Ticket, and you may be required to produce appropriate identification.

3.1.2 A Ticket is transferable in its entirety (but not in part), provided;

– that you contact us with a request for transfer of your Ticket at least 24 hours before the scheduled departure time shown on the first flight coupon of the Ticket,

– that we are the operating carrier of all the flights or flight segments in the Ticket, and

– that the person to whom the Ticket is to be transferred satisfies and complies with all the conditions applying to the original Ticket.

Upon your surrender of your Ticket to us, we will issue a new Ticket in the name of the person to whom the Ticket is to be transferred. The new Ticket will be subject to the same terms and conditions as those of the replaced Ticket. You will be charged an administration fee for the transfer of the Ticket.

Except as provided above, a Ticket is not transferable.

3.1.3 Some Tickets are sold at discounted fares, which may be partially or completely non-refundable. If a Ticket is non-refundable, the Carrier Imposed Surcharges will also be non-refundable, whereas the Non-Carrier Imposed Surcharges will always be refundable, possibly subject to payment of an administration fee. You should choose the fare best suited to your needs. You may also wish to ensure that you have appropriate insurance to cover instances where you have to cancel your Ticket.

3.1.4(a) If you have a Ticket, as described in Article 3.1.3 above, and you are prevented from traveling due to Force Majeure, provided that you promptly advise us and furnish evidence of such Force Majeure, we will at our discretion either make a refund within a reasonable time or provide you with a credit of the non-refundable amount of the fare for future travel on us, in both circumstances subject to deduction of an administration fee.

3.1.4(b) If you have a Ticket, as described in Article 3.1.3 above, and you are delayed for your scheduled flight due to Force Majeure, provided that you promptly advise us and furnish evidence of such Force Majeure, we will carry you at the earliest opportunity on another of our scheduled services on which space is available without additional charge.

3.1.5 The Ticket is and remains at all times the property of the issuing Carrier.

3.1.6 Except in the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless you present a valid Ticket containing the Flight Coupon for that flight and all other unused Flight Coupons and the Passenger Coupon. In addition, you shall not be entitled to be carried if the Ticket presented is mutilated or if it has been altered otherwise than

by us or our Authorized Agent. In the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless you provide positive identification and a valid Electronic Ticket has been duly issued in your name.

3.1.7(a) In case of loss or mutilation of a Ticket (or part of it) as described in Article 3.1.3 above, if we have issued the said Ticket, we will upon your request replace such Ticket (or part of it) by issuing a new Ticket, provided there is evidence, readily ascertainable at the time, that a Ticket valid for the flight(s) in question was duly issued. You will be liable to reimburse us for any costs and losses, up to the value of the original Ticket, which are necessarily and reasonably incurred by us or another Carrier for misuse of the original Ticket. We will not claim reimbursement from you for any such losses, which result from our own negligence. We will charge an administration fee for this service, unless the loss or mutilation was due to negligence on our side or from one of our Authorized Agents.

3.1.7(b) In case of loss or mutilation of a Ticket that is fully refundable we may require you to pay the full Ticket price for a new Ticket, subject to refund if and when we are satisfied that the lost or mutilated Ticket has not been used before the expiry of its validity. If, upon finding the original Ticket before the expiry of its validity, you surrender it to us, the foregoing refund will be processed at that time.

3.1.8 A Ticket is valuable and you should take appropriate measures to safeguard it and ensure it is not lost or stolen.

3.2 Period of validity

3.2.1 Except as otherwise provided in the Ticket, in these Conditions of Carriage, or in applicable Tariffs, (which may limit the validity of a Ticket, in which case the limitation will be shown on the Ticket), a Ticket is valid for:

(a) one year from the date of issue; or

(b) subject to the first travel occurring within one year from the date of issue, one year from the date of first travel under the Ticket.

3.2.2 If you after having commenced your journey become unable to travel within the period of validity due to illness, the period of validity of your ticket may only be extended subject to the fare rules governing your ticket.

3.2.3 In the event of death of a Passenger en route, the Tickets of persons accompanying the Passenger may be modified by waiving the minimum stay or extending the validity. In the event of a death in the Immediate Family of a Passenger who has commenced travel, the validity of the Passenger's Tickets and those of his or her immediate family who are accompanying the Passenger may likewise be modified. Any such modification shall be made upon receipt of a valid death certificate and any such extension of validity shall not be for a period longer than forty-five (45) days from the date of the death.

3.3 Coupon sequence and use

3.3.1 The Ticket you have purchased is valid only for the transportation as shown on the Ticket, from the place of departure via any Agreed Stopping Places to the final destination. The fare you have paid is based upon our Tariff and is for the transportation as shown on the Ticket. It

forms an essential part of our contract with you. The Ticket will not be honoured and will lose its validity if all the Coupons are not used in the sequence provided in the Ticket.

3.3.1.1

Article 3.3.1 does not apply to tickets bought for SAS operated flights where the ticket is issued on a SK/117 document and the flight is originating in Europe when using the SAS One Way concept fares within Europe. If all the flight coupons for the outbound travel are completely unused, the flight coupons for the inbound travel can be used

3.3.2 Should you wish to change any aspect of your transportation you must contact us in advance. The fare for your new transportation will be calculated and you will be given the option of accepting the new price or maintaining your original transportation as ticketed. Should you be required to change any aspect of your transportation due to Force Majeure, you must contact us as soon as practicable and we will use reasonable efforts to transport you to your next Stopover or final destination, without recalculation of the fare.

3.3.3 Should you change your transportation without our agreement, we will assess the correct price for your actual travel. You will have to pay any difference between the price you have paid and the total price applicable for your revised transportation. We will refund you the difference if the new price is lower but otherwise, your unused Coupons have no value.

3.3.4 Please be aware that while some types of changes will not result in a change of fare, others, such as changing the place of departure (for example if you do not fly the first segment) or reversing the direction you travel, can result in an increase in price. Many fares are valid only on the dates and for the flights shown on the Ticket and changes may not be allowed at all, or only upon payment of an additional fee.

3.3.5 Each Flight Coupon contained in your Ticket will be accepted for transportation in the class of service on the date and flight for which space has been reserved. When a Ticket is originally issued without a reservation being specified, space may be later reserved subject to our Tariff and the availability of space on the flight requested.

3.3.6 Please be advised that in the event you do not show up for any flight without advising us in advance, we may cancel your return or onward reservations. However, if you do advise us in advance, we will not cancel your subsequent flight reservations, but Article 3.3.4 will apply in this case.

3.3.7 Please be advised that in order to reduce overbooking, we will cancel one or more of your bookings, if you have made more bookings to a destination than you have purchased Tickets to the said destination.

3.4 Name and address of carrier

Our name may be abbreviated to our Airline Designator Code, or otherwise, in the Ticket. Our address shall be deemed to be the airport of departure shown opposite the first abbreviation of our name in the "carrier" box in the Ticket, or in the case of an Electronic Ticket, as indicated for our first flight segment in the Itinerary/Receipt.

Article 4: Fares, taxes, fees and charges

4.1 Fares

Fares apply only for carriage from the airport at the point of origin to the airport at the point of destination, unless otherwise expressly stated. Fares do not include ground transport service between airports and between airports and town terminals unless otherwise expressly stated. Unless otherwise agreed your fare will be calculated in accordance with our Tariff in effect on the date you make the reservation of your Ticket for travel on the specific dates and itinerary shown on it. Should you change your itinerary or dates of travel, this may impact the fare to be paid.

4.2 Taxes, fees and charges

4.2.1 Both Carrier and Non-Carrier Imposed Surcharges shall be payable by you

4.2.2 If you cancel a refundable Ticket both Carrier and Non-Carrier Imposed Surcharges will be refunded. According to the type of Ticket, the refund may be subject to an administration fee. If you cancel a non-refundable Ticket you will only be and are entitled to a refund of Non-Carrier Imposed Surcharges, and such refund will be subject to the deduction of an administration fee.

4.3 Currency

Fares, taxes, fees and charges are payable in the currency of the country in which the Ticket is issued, unless another currency is indicated by us or our Authorized Agent, at or before the time payment is made (for example, because of the non-convertibility of the local currency). We may at our discretion, accept payment in another currency.

Article 5: Reservations

5.1 Reservation requirements

5.1.1 We, or our Authorized Agents will record your reservation(s). Upon request we will provide you with written confirmation of your reservation(s).

5.1.2 Certain fares have conditions, which limit or exclude your right to change or cancel reservations or to request a refund.

5.2 Ticketing time limits

If you have not paid for the Ticket prior to the specified ticketing time limit, as advised by us, or our Authorized Agents, we may cancel your reservation.

5.3 Personal data

You recognize that personal data has been given to us for the purposes of: making a reservation, purchasing a Ticket, contacting you regarding check-in and other information about your flight, obtaining ancillary services such as for instance hotel reservation and car rental, developing and providing services such as for instance special facilities for people with reduced mobility, special meals and the fulfillment of other special wishes our passengers may have, facilitating immigration and entry procedures, and making available such data to government agencies, in connection with your travel. For these purposes, you authorize us to retain and use such data and to transmit it to our own offices, Authorized Agents, government agencies, other carriers or other third parties within or outside the European Union in connection with providing you with the above-mentioned services. Your personal data will be handled in

accordance with SAS Privacy Policy at www.flysas.com/en/Travel-info/Travel-conditions/Privacy-policy/

5.4 Seating

We will endeavor to honor advanced seating requests, however, we cannot guarantee any particular seat. We reserve the right to assign or reassign seats at any time, even after boarding of the aircraft. This may be necessary for operational, safety or security reasons.

5.5 Reconfirmation of reservations

5.5.1 Onward or return reservations may be subject to the requirement to reconfirm the reservations within specified time limits. We will advise you when we require reconfirmation, and how and where it should be done. If it is required and you fail to reconfirm, we may cancel your onward or return reservations. However, if you advise us you still wish to travel, and there is space on the flight, we will reinstate your reservations and transport you. If there is no space on the flight we will use reasonable efforts to transport you to your next or final destination.

5.5.2 You should check the reconfirmation requirements of any other Carriers involved in your journey with them. Where it is required, you must reconfirm with the Carrier whose code appears for the flight in question on the Ticket.

Article 6: Check-in and boarding

We and most other airlines operate compensation schemes for Passengers with confirmed reservations who are unjustifiably denied boarding or downgraded because of the non-availability of seats. We make every effort to provide seats for which confirmed reservations have been made. If another Carrier is operating the flight, you have the right to address a complaint or to make a claim for damages against either us or the other Carrier. With respect to Checked Baggage you may make a claim against the first or last Carrier.

15.2.2 Except in the case of an act or omission done with intent to cause Damage or recklessly and with knowledge that Damage would probably result, our liability in the case of Damage to Baggage shall be limited to 1131 SDR per passenger.

15.3.3 Article 15.3.1 and 15.3.2 hereof shall not be applicable in respect of claims made by public social insurance or similar bodies however asserted. We will compensate you or your dependants for recoverable compensatory Damages in excess of payments received from any public social insurance or similar body.

Without prejudice to the above, an advance payment shall not be less than the equivalent in EURO of 16000 SDR per passenger in the event of death.

An advance payment shall not constitute recognition of liability and may be offset against any subsequent sums paid on the basis of our liability, but is not returnable, except:

(i) in cases where we prove that the Damage was caused by, or contributed to by the negligence of the injured or deceased Passenger, or
(ii) in circumstances where it is subsequently proved that the person who received the advance payment caused, or contributed to the Damage by negligence or was not the person entitled to compensation.

15.3.6 We have at any time sufficient liability insurance (Passenger/third party) to meet any lawful requirement.

15.4 Delay

15.4.1 In addition to our obligations described in Article 9, if we have caused a delay for you and/or your Checked Baggage in the Carriage by air, we will only be liable for Damage occasioned by the delay, if we and our servants and agents (such as for instance contracted caterers and ground handling agents) have not taken all measures that could reasonably be required to avoid the Damage.
